Addendum No. 4 (herein referred to as "Addendum")

This Addendum revises the above-described procurement, and is hereby incorporated and made a part of the above-described procurement as if the Addendum had been included in the original procurement documents. Addendum posted on website at www.orangeburgcounty.org-Purchasing/Bids-Solicitations

The addendum is as follows: Question/Answer – May 27, 2014

Will the lump sum price for engineering be paid in full on the first payment draw requested by the Design Build Team?

County Response: The engineering can be paid on the first two construction estimates provided the cost does not appear to be unbalanced. Each payment can be for ½ of the lump sum price for engineering on the entire contract.
