**The following criteria must be met in order to qualify as a home occupation. Please read each statement carefully. Sign at the bottom to acknowledge that you agree to comply with all provisions of this form.**

**Approval becomes void upon a violation of any provision contained herein or termination of the applicant's residency. The permission hereby granted is not transferable to any other resident, address, or other occupation.**

- a. Home occupations shall be conducted entirely within the principal dwelling or an accessory structure, if such accessory structure meets all setback requirements for a principal structure in the district in which it is located. Home occupations shall be clearly incidental and secondary to the use of the dwelling unit for residential purposes and shall not change the outward appearance of the structure.
- b. An area equal to not more than twenty-five percent (25%) of the floor area of the principal dwelling may be utilized for the home occupation. If the home occupation is housed in an accessory structure, the accessory structure can be no larger than twenty-five percent (25%) of the gross floor area of the principal dwelling.
- c. No more than one (1) person not residing in the residence may be employed by the home occupation.
- d. The home occupation shall not involve the retail sale of merchandise manufactured off the premises. No display of goods, products, services, merchandise, or any form of advertising shall be visible from outside the dwelling.
- e. No outside storage shall be allowed in connection with any home occupation.
- f. No traffic shall be generated by the home occupation in greater volumes than would normally be expected in a residential neighborhood, and any need for parking generated by the home occupation shall be provided for as off street, other than in the front yard.
- g. Signage for the home occupation shall be regulated in accordance with Article 5 of the Orangeburg County Zoning Ordinance.
- h. The home occupation generates no noise, glare, heat, vibration, smoke, dust, or odor perceptible to adjacent uses.
