### Pre-Bid Conference

Question: Must a vendor attend the entire pre-bid conference to submit a bid?

Answer: That is what the County intended by the phrase “mandatory pre-bid conference.” For future procurements, the County hereby clarifies (and will in its Policies and Regulations clarify) that a vendor’s attendance for the entire mandatory pre-bid conference is necessary. Given that there may have been ambiguity regarding this point for this procurement, for this procurement only, attendance for part, but not all, of the mandatory pre-bid conference will be sufficient to meet the requirement of attendance at the mandatory pre-bid conference as long as the submitting vendor understands that it assumes all risk involved with bidding this procurement without having attended the entire mandatory pre-bid conference.

Vendor shall submit a completed Addendum Acknowledgement form with its submission.

**Vendor may be disqualified from this procurement unless vendor submits a completed Addendum Acknowledgement form referring to this Addendum with vendor’s proposal.**
