Question 1. We're interested in attending the pre-bid conference for the project mentioned above. I was not able to find a passage in the Title and Summary of the project that provides the location, date and time of the meeting.

Could you provide me this information and any other additional details or addenda that may be available?

Response 1. This process is a RFQ that is intended to identify qualified vendors to participate in a RFP process. There is no meeting or addenda at this time. Please fill out the procurement documents included in the packet and send in to be evaluated and if chosen, invited to participate in the RFP process.
