

Addendum 1

Request for Proposal FY15-0926 Collection/Disposal of Recyclable Cooking Oil

Addendum No. 1 (herein referred to as "Addendum")

This Addendum revises the above-described procurement, and is hereby incorporated and made a part of the above-described procurement as if the Addendum had been included in the original procurement documents. Addendum posted on website at www.orangburgcounty.org-Procurement.

This addendum is as follows: Questions/Responses September 22, 2014

Question 1 – In one area of the document it states payments will be made quarterly but in another it states monthly.

Response 1 – On page 5 change #7 to read "Submit supporting documentation to Orangeburg County on a monthly basis, to included verification of quantities of metered waste cooking oil picked up at Orangeburg County sites. This will have necessary paperwork on a monthly basis.

Question/Clarification 2 – Also in one area it states metered ticket documentation will be used to pay and in another it states weight tickets from approved scales.

Response 2 - Page 7, 1st paragraph, delete "and shall include with tickets issued at scales approved by Orangeburg County". Deleting that portion of the sentence would have the paragraph conform to wording in the Scope of Work.

Correction- FY15-0926 Collection/Disposal of Recyclable Cooking Oil is now FY15-0929 Collection/Disposal of Recyclable Cooking Oil

Please acknowledge receipt of this addendum in your proposal/bid package.
